Behind the scenes at Redland Red Angus

Redland Red Angus is a family operation but yet it all couldn't come together without the help of a very talented crew. With an irrigated farm operation and native grazing for the cows, the outfit couldn't operate as successfully as it does without our crew:

Chad and Erin Fink

Chad and Erin can be found riding pastures, calving, feeding and fence and well maintenance. They are instrumental in spotting fires throughout the summer and are a large part of the Hysham Volunteer

Fire Dept. They keep an eye on all that happens on the range in the Hysham Hills and are always lending a hand in the feedlot as well.

They have two big helpers! Reagan is 15 and can be seen riding side by side, gathering with her folks. Reagan is also actively involved in 4-H.

Hazen is 8 years old and enjoys all the animals! He helps ride at times and takes good care of the bum calves.

Larry and Vicky Fink

Our sale office could not run without the efficient manner of Larry and Vicky.

Matt Lane

This is the fifteenth year that Matt Lane has ultrasounded the bulls. We feel it is an important part of our operation and we value the information he provides. Carcass is an important part of the industry and we have been breeding for it since the 90s.

Treasure Vet Service

Dr. Dick is just a phone call away for us. He fertility tests the bulls as well as provide us with answers to any and all health questions.

Jared and Lara Halverson

Jared has worked for us for a number of years. You can find him hauling and stacking hay, feeding, irrigating, mechanicing, as well as the numerous other jobs around the farm.

Gunnar is their 2-year-old little boy. He is into tractors, trucks and toys, and all little boy things.

Clark Pinkerton

Brand Inspector Clark is invaluable in getting us the paper work to get the cattle on the road.

Contour has been a main stay in our operation for a few years now!! We really like his calves and his females. He has improved the carcass in our herd tremendously..we just can't say enough good things about him! He has been used AI on all the commercial heifers the last 4 years. They calve easy and really grow! As a yearling Contour had an actual REA score of 13.9 with a marbling score of 8.6 and he is in the top 5% of sires for his marbling EPD and top 17% of sires for Grid Master index. This year there are 8 sons in the sale! They have an average BW of 79 pounds and average WW of 677 pounds.

This is the second year we have used Relentless as an AI sire. We decided to try him as he is an outcross pedigree for us. He also is low birth weight and very good carcass. He is in the top 3% of his contemporaries for BW and the top 20% in CED. He is in the top 1% of other sires for Marbling, 2% ProS, 3% Herd Builder and top 10% in Grid Master. We are looking forward to how this set of bulls scans!! Check out the 6 Relentless sons sale day. They are stylish as well as stout, and deep, with good hips on them. These Relentless sons posted an average birth weight of 76 while still weaning at a 671 pound average.

Intensity is a Relentless son that we have been using on our coming 3. He is a very stylish, deep sided, heavy muscled bull. He travels and moves out very well and stands on a good foot! Intensity has a very nice disposition and has always been very calm. He seems to have passed all his good traits into his offspring. I think you will find this set of intensity calves to be very stylish and nice balanced. They are deep sided with plenty of muscle! Intensity is in the Top 7% of sires for Marbling and we are looking forward to the scan on these bulls. Take a look at the Intensity bulls in the sale, there are 11 with an average BW of 83 and an average weaning weight of 685.

Spartacus is an AI sire we have used quite a bit. In the semen catalog they say he is powerfully made and stout boned. His calves have been the same! They really rise to the top as you walk through the pens. They have good dispositions, are easy to calve and show a lot of growth. They are deep sided, thick made, with a good hip. Check out them out sale day. There are 3 sons in the sale with an average BW of 82 pounds and WW of 667.

We have used Stockmarket semen a little in the past. It is almost impossible to find now as he has passed away. We were lucky enough to find a few straws. We like the entire package that Stockmarket has to offer. They just flat stand out from birth to weaning and beyond. They are very stylish, eye appealing cattle, thick topped, with a really nice hip! He is in the upper percentiles from birth to growth and it carries on into his carcass traits. He is in the top 1% for Marbling and top 25% for REA.

Exceptional is a son of Redemption which we have used a bit in the past, but what really drew our attention to him, was his dam was a Messmer Packer. Packer semen is hard to find these days! Exceptional is in the upper percentiles for most of his EPD's but the most impressive is he is in the top 4% for Marbling and the top 9% for Grid Master. Combine that with his calving ease as well as growth and he rises to the top. There are 3 sons in the sale this year and they definitely deserve a second look! They had an average birth weight of 83 and average weaning weight of 641.

Energize is another new AI sire for us. He comes with a low birth weight, easy calving while still maintaining good growth! His carcass data is good, with him being in the top 32% for marbling and the top 16% for Grid Master. Don't miss the Energize sons' sale day! They are a pretty uniform group of bulls, all deep, and thick. There are 4 Energize sons in the sale, with an average birth weight of 75 and an average weaning weight of 675 pounds.

Red Relentless is out of Liz's champion breeding heifer at the fair. She is raised him as a 2 year old and did a darn good job! He is soggy, deep made with a lot of thickness! Take a look at his weaning weight. He didn't get a ratio as Liz's herd is small, but still performed with rest of the bulls. He has a solid set of numbers as he is in the top 7% of the breed for BW and Milk and the top 2% for Marbling.

Dear Friends,

Welcome to our annual spring sale! Wow, what a year to be in the cattle business! Cattle prices have been high throughout the year, whether it be from canner cow, cull bulls, bred heifers, or steers! We are so thankful and will enjoy it while it is here! With that we are looking to the future of the cattle industry and the Red Angus breed with this sale.

This is a nice, sound set of bulls we have selected for you! Just as an inside look at what to expect in the coming pages. The HB (herd builder) and GM (grid master) EPDs are indexes that were implemented to maximize profitability. The bulls are cataloged in sale order and so the Gelbvieh/Balancer bulls are mixed throughout. Red Angus bulls are printed with names in red and the Balancer bulls are brown. There is something for everyone, as we are offering calving ease, growth, with a lot of quality carcass traits mixed in. As in years past we are feeding the bulls to optimize their feet and legs to provide a more work ready set of bulls. They are growing out well and will be ready to go to work for you. We will feed the bulls until April 1st, but if you take them with you the day of the sale, we will give \$50 off per bull. In addition, the scrotal circumferences and carcass information will be available sale day.

Frontier Live Sale will again be providing video, phone, and internet bidding sale day. The videos will be available through our website www.redlandredangus.com or on www.frontierlivesale.com. As with the previous years we will be running the videos during the sale.

We always look forward to hearing from you and will try to help in any way. Stop in anytime to view the cattle, visit, or just have a cup of coffee and a bite to eat. Meeting and visiting all the people is one of the things that we enjoy most about being in the cattle business.

Last but not least we would like to thank everyone for their support! Without our loyal customers we couldn't do the thing that we love! We really appreciate your interest in our program. Have safe travels and we hope to see you on the 1st.

From all of us at Redland Red Angus
